Dear Prospective Player,

I hope your season has been a successful one. My name is Brent Barker and I am the baseball coach at Faulkner University. We are a four year institution located in Montgomery, Alabama that participates in the NAIA. I have been the baseball coach here since January 2001. We have been one of the most successful baseball programs in Alabama averaging 40 wins a season in the last nine seasons. The main reason for our success is in recruiting great players from Alabama high schools. We have had six players either drafted or signed free agent contracts in the MLB draft since 2002. I want to thank you for your continued support of our program.

Since 2002, we also have had a junior varsity program. It has been a success giving lots of players the opportunity to play college baseball and continue getting their education. Some continue and move up to our varsity and others end up finishing school elsewhere. If you have any seniors still not signed and are interested in playing college baseball, we are interested in them.

We will be having two tryout dates looking for players interested in our program. The two dates for these tryouts will be: May 30, 2009, and June 13, 2009. Both are Saturdays and will begin at 10:00 AM for registration. Cost is \$25 which covers player's food/drinks for the day, campus tour, and insurance. Our website is www.faulkner.edu and my personal email is bbarker@faulkner.edu. My cell is 334-799-3112.

Please copy my letter and give to any senior interested in playing college baseball. Looking forward to meeting and watching your unsigned seniors perform. Players can email their name and position to let me know what date they are coming and what positions they play. We will also take walk ups each Saturday morning. Thanks again for your support and help.

Sincerely,
Brent Barker
