Faulkner Juniors

Faulkner Juniors is a volleyball club that is designed to enhance the skills of upcoming volleyball players that are in junior-high school or are transitioning into high school volleyball. The clinic is for 5th-8th grade students that would like to develop their volleyball skills. Faulkner Juniors will create several teams based on age which will practice and play through the months of March and April. Each team will consist of 8-10 athletes. This smaller athlete-to-coach ratio will enhance the individual learning environment of every athlete.

Cost:

The cost of enrollment is \$150 per athlete. Each athlete will be provided with a t-shirt jersey and over 30 hours of instruction. All proceeds will be used to assist in travel expenses for the 2009 Faulkner volleyball season. The coaches are volunteering their services to benefit the team .

Practice :

The teams will practice twice a week in the evening and play in 4 tournaments. The practices will be Monday and Thursday from 6-7:30 PM. Tournament will be held various Saturdays.

Uniforms:

Each player will receive a t-shirt jersey that they will be required to wear during match play.
