- 1) In keeping with Federal requirements, each student's academic record will be reviewed at least once per academic year. A student's academic year will consist of two semesters or three quarters, depending on the program of enrollment. At the time of review, the student must meet the standard in the table above that matches his/her total hours attempted, including transfer hours accepted by the Registrar's office.
- 2) Students in the two year or four year programs will be subject to Probation following the completion of one semester or two quarters at Faulkner University.
- 3) BBA , MHR , and BCJ students, due to their programs being only 3 terms in length, will be subject to Probation following the first Semester of the BBA, MHR, or BCJ program. Any student simultaneously enrolled in more than one program will be subject to the guidelines for the predominant program.
- 4) Attempted hours will include all hours appearing on the official academic transcript as attempted, including transfer credits. This includes all letter grades, WP's, WF's, I's, NC's and any other course for which the student was charged and began attendance.
- 5) Any student placed on Probation will have one term of continued Financial Aid in which to achieve the academic criteria appropriate for the hours attempted at the end of the term of probation. Failure to do so subjects such student to Financial Aid Suspension.
- 6) Any extension of Financial Aid Probation beyond one term must be approved by the Financial Aid Director.
- 7) Any student suspended from receiving Financial Aid may appeal that decision, in writing, to the Financial Aid Director. Any appeal above the Financial Aid Director must be directed to the satisfactory progress policy committee.

SATISFACTORY PROGRESS POLICY FOR INSTITUTIONAL FINANCIAL AID

For institutional scholarships, the academic year consists of Fall and Spring semesters. A student's record is reviewed after Spring semester only. Institutional scholarships do not have probationary period. Once lost, they cannot be reinstated.

However, a request for Financial Aid probation for one term can be requested by the student in writing and must be approved by the Vice President of Student Services.
