SERVANT MAKER RESIDENTIAL INTERNSHIP

NEW WALK OF LIFE CHURCH and its Outreach Ministry MAP (Ministry About People) are excited to announce the Fall 2026 season of our Residential Internship Program at the **Servant Maker House**.

God has blessed us with the incredible opportunity to host 14 college students who desire and are willing to commit to worshipping and holistically serving our neighbors alongside us while growing deeper in their faith throughout West Montgomery. This **nine-month residential internship** offers a unique, spiritually enriching, and professionally developing experience.

If you are a college student who is available and willing to commit from Aug. 7, 2026 through May 16, 2027, we invite you to apply for this Christian ministry opportunity.

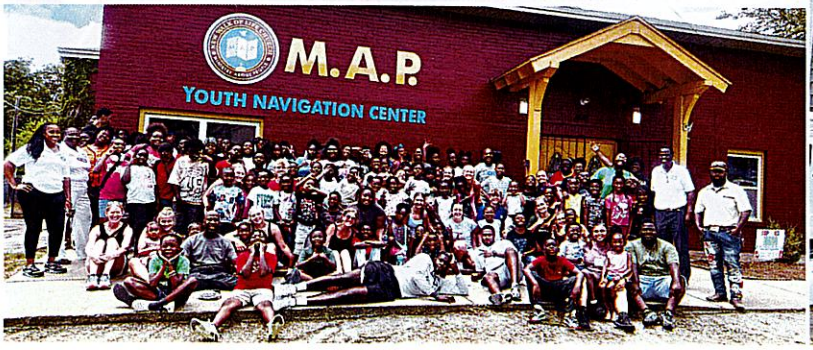

Interns will have the privilege of serving across the outreach arms of MAP, including:

- New Walk of Life Church
- The Mercy House
- The Pathway House
- The Manna House
- The Consolidated Homeless Services Center
- The MAP Youth Navigation Center

You'll also worship and grow in community with one another at New Walk of Life Church throughout this opportunity.

We believe lifetime prayer partners and friendships will be formed through this engaging and impactful experience. It will be a God-encountering, life-changing experience for those we serve — and for those who answer the call of Christ to serve him.
