About the role

Concept Plus is seeking a highly skilled and experienced Oracle Integration Cloud Specialist to join our team. The ideal candidate will have a strong background in creating integrations with Oracle Fusion Cloud ERP or E-Business Suite and be proficient in Oracle Integration Cloud.

What you'll do

- Design, develop, and implement integrations between Oracle Fusion Cloud ERP or E-Business Suite and other applications using Oracle Integration Cloud
- Collaborate with internal teams and external partners to gather requirements and develop integration solutions.
- Serve as the primary point of contact for technical / integration related issues and provide troubleshooting and support to debug integration issues.
- Provide technical guidance and support to junior team members.
- Stay current on industry best practices and trends in Oracle Integration Cloud and Oracle Fusion Cloud ERP
- Provide Technical/Functional support to Business Development sales pursuits.

Qualifications

- Bachelor’s Degree in Information Technology, Computer Science or related field
- Minimum 5 years of experience working with Oracle Integration Cloud
- Excellent communication and interpersonal skills
- Hands-on experience creating integrations with Oracle Fusion Cloud ERP or Oracle E-Business Suite using Oracle Integration Cloud
- Demonstrated experience in consulting and documenting technical requirements based on business requirements.
- Strong knowledge of web services, APIs, and integration patterns
- Excellent communication and problem-solving skills
- Ability to work independently and as part of a team in a fast-paced environment.

- US Citizen; must pass a full investigation for a Non-Sensitive (Risk Level: Tier 2, Moderate Risk, Public Trust) position.
- Oracle Cloud Platform Application Integration Professional, Visual Builder, or OCI Developer Professional Developer certifications preferred
