I am recruiting a lead teacher for our First-Class Pre-K classroom at First Steps Early Learning Center in Georgiana, Alabama.

We are looking for candidates with a qualifying bachelor's or graduate degree. Each candidate's degree, coursework, and eligibility will need to be reviewed under Alabama's current First-Class Pre-K and Office of School Readiness requirements.

Interested candidates may email their résumé and a brief summary of their degree and early childhood coursework to healthykidsal@gmail.com.
