

FALL 2019 FINAL EXAM SCHEDULE

Monday, December 9 - Thursday December 12

Final exams are required in every class. Any exceptions require approval of the dean of the college.

No exam is to be given early, without the prior written approval of the dean.

Exams are administered in regular class meeting rooms unless instructors indicate otherwise.

Any student who has **more** than three exams scheduled on the same day **may** obtain permission from one instructor to take one exam on another day during the testing period.

Final exams for seminar-type classes or classes on an eight-week schedule will be given at the last class meeting of the term or semester. Any exception will be announced by the instructor.
