MISSION, VISION & CORE VALUES

MISSION

The mission of Faulkner University is to glorify God through education of the whole person, emphasizing integrity of character in a caring Christian environment where every individual matters every day.

OVERVIEW OF INSTITUTION AND CHARACTERISTICS

Faulkner University is a private church-affiliated liberal arts based institution in the tradition of American higher education. In this tradition, Faulkner seeks to educate the whole person in preparation for success in a pluralistic democratic society. Faulkner follows the Christian liberal arts tradition of open inquiry, investigation, and engagement to promote knowledge, professionalism, critical thinking, leadership, lifelong learning, and service to others.

Faulkner University's campuses primarily serve four metropolitan communities—Montgomery, Birmingham, Huntsville, and Mobile—within Alabama. The four communities are all urban environments with contiguous suburban and rural areas. The four communities are classified as metropolitan statistical areas (MSA) by the U. S. Census Bureau.

HISTORY

Faulkner University is a multi-campus, co-educational private, Christian institution of higher education offering, associate degrees, baccalaureate and master degrees to prepare students for professions or advanced studies in Bible, liberal arts and sciences, business, professional, and career education. Through its Jones School of Law, it offers the juris doctor in jurisprudence.

Founded as a two-year Bible college in 1942, Faulkner has evolved into an independent, co-educational institution in the Christian liberal arts tradition. Faulkner has grown from a small seminary based institution to a university with four academic divisions on the Montgomery campus—the Alabama Christian College of Arts and Sciences, Harris College of Business and Executive Education, Thomas Goode Jones School of Law, and the V.P. Black College of Biblical Studies—and three extended campuses in Birmingham, Huntsville, and Mobile. Faulkner has three academic research and outreach centers—the Center for Dispute Resolution, the Cloverdale Center for Family

Strengths, and the Scholars Council/Institute for Faith and Learning. The cornerstone and distinctive characteristic of Faulkner is the infusion of Christian ethics, morals, values, and concern for others throughout the entire institution. As an institution and faculty, we focus on conveying the knowledge to empower the pursuit of personal goals and life-roles and to enable daily life as productive Christians and citizens of a pluralistic democratic society. Our commitment to Christian ethical ideals extends to the individual, family, church, community, nation, vocation, and profession. Our interest is not only in what an education helps students to be in their lives, but also what an education helps them to do with their lives.

VISION AND BASIC COMMITMENTS

The vision of Faulkner is based on the pursuit of academic excellence with a sense of responsibility to use one's gifts for the service of others and the benefit of society. The University seeks to promote the intellectual and ethical lives of its students, helping to prepare them for productive careers as well as for meaningful personal lives and positive contributions to human progress. Faulkner's curricular and co-curricular programs are designed to educate the whole person through development of intellectual, moral, spiritual, physical, emotional and social qualities. Faulkner aims to promote the contemporary Christian mission of the service of faith and the promotion of equality and justice. As a Christian institution, Faulkner welcomes all who share in its vision and quest as reflected in the five goals and commitments.

Faulkner University is committed, in all of its policies and practices, to certain basic principles:

TO CHRIST:

Faulkner University is, first and foremost, a Christian university. Its environment, its policies, and its practices reflect this primary commitment, bringing every thought and activity into obedience to Christ. 2 Corinthians 10:5

TO THE BIBLE:

Faulkner University embraces the Bible as the inspired word of God. Every aspect of the curriculum and every program or activity is consistent with Biblical truth and practice. John 10:35; 2 Timothy 3:16

TO THE INDIVIDUAL:

Faulkner University acknowledges that every person is created in the image of God. Therefore, Faulkner University emphasizes the importance of the individual. Faulkner University is a place where every person matters every day, and where education is directed to the whole person, with loving and caring attention to the formation of Godly character within the student. Genesis 1:27

TO EXCELLENCE IN HIGHER EDUCATION:

Faulkner University provides excellent preparation in all its programs, enabling its graduates to compete successfully

in their chosen pursuits. Ecclesiastes 9:10; Colossians 3:23

TO AMERICAN IDEALS:

Faulkner University is committed to the preservation and perpetuation of the principles of a democratic society, individual freedom, a government of law, the American spirit of community service, and personal responsibility. Articles of Incorporation, June 5, 1942.

CORE VALUES

Faulkner University was founded and continues to exist on the principles of first century Christianity. The University's statement of these Christian principles and core values is summarized as follows:

"God is God, Jesus Christ is Savior and Lord, the Bible is God's inerrant and authoritative revelation of Himself and His will, the church is God's redeemed people seeking in all things to please Him. To this Faulkner University is wholeheartedly committed."

CONCEPTUAL FRAMEWORK: I CAN SOAR

Faulkner University has developed a conceptual framework—I Can Soar—that guides the curricular, co-curricular, and extra-curricular programs of the University. The conceptual framework captures the essence of Faulkner's mission and vision to glorify God and convey His glory in the world. I Can Soar builds upon the tremendous legacy of the University's founders by developing an understanding of Christianity's role in personal, family, and work life and the expression of this understanding through Christian service. I Can Soar is based upon the concept bridging learning and service through curricular and co-curricular requirements. I Can Soar will require students to complete specific academic content across the curriculum and to engage in meaningful service activities while pursuing their degree. I Can Soar enhances and augments the Faulkner Experience and the legacy of Faulkner's founders, alumni, supporters, faculty, and staff.

I Can Soar is driven by the mission, vision, and core values of the institution. I Can Soar consists of three key elements—intellect, character, and service—that together foster the development of the whole person. The three elements of the conceptual framework complement each other and function in an additive process—Intellect + Character + Service or I + C + S—to create the Faulkner Experience. The relevance of the three elements is reflected in the words of Martin Luther King, Jr.

"The function of education, therefore, is to teach one to think intensively and to think critically. But education which stops with efficiency may prove the greatest menace to society. The most dangerous criminal may be the man gifted with reason, but with no morals... We must remember that intelligence is not enough. Intelligence plus character--that is the goal of true education." King, Jr., M. L. (January-February 1947).

The following excerpts from the Bible reflect biblical foundations for the three elements:

“But those who wait on the Lord will find new strength. They will fly high on wings like eagles. They will run and not grow weary. They will walk and not faint.” Isaiah 40:31

“Jesus replied, ‘...The Lord our God is the one and only Lord. You must love the Lord your God with all your heart, all your soul, and all your mind.’ This is the first and greatest commandment. A second is equally

important: ‘Love your neighbor as yourself.’ All the other commandments and all the demands of the prophets are based on these two commandments.” Matthew 22:37-40; Mark 12:29-31; Luke 10:25-29; Deuteronomy 6:4-6; Leviticus 19:8

“For as he thinks in his heart, so is he...” Proverbs 23:7

“A cord of three strands is not quickly broken”
Ecclesiastes 4:12

A student admitted under conditional admission will be granted regular admission after completing 12 graduate hours with no grade lower than B.

SPECIAL STUDENT ADMISSION. A student, who wishes to take a limited number of courses for personal enrichment or for transferring to another institution and does not wish to work toward a degree at

Faulkner University, may apply to enroll as a special student. Application procedures (including the \$35.00 fee) must be completed.

EARLY ADMISSION. Special early admission is available for undergraduate seniors majoring in a relevant discipline with a cumulative GPA of 3.0 who are within nine (9) hours of meeting the requirements for the bachelor's degree. The student is not considered a graduate student and may take no more than six (6) semester hours pre-approved by the respective College. Graduate courses taken by qualified undergraduates cannot be used for bachelor's degree requirements.

AUDIT. Students are permitted to audit a course provided that there is room in the classroom and that the number of auditors is not more than 20% of the class enrollment. A \$100.00 audit fee (per course) is charged but no credit is granted. With permission of the professor, a student may change his/her registration from credit to audit or audit to credit during the first three weeks of the semester. After this time his/her options are to continue as registered or to withdraw from the course.

PAYMENT POLICIES

All charges are due at registration. Registration is not complete until Business Office acceptance is granted. Books and supplies are available from Follett Bookstore on campus and must be purchased separately.

Checks for tuition and fees must be made payable to Faulkner University and must identify the student for whom the payment is made. Faulkner University accepts MasterCard, Visa and Discover. A fee is assessed for each returned check. If a student has checks returned, subsequent payments in cash or money order will be required.

A student may apply to defer a portion of their balance for each term. The remaining balance after down payment and confirmed financial aid may be divided into equal installments. In order to defer payment, the student must make the required down payment at registration and must maintain a satisfactory credit record. A deferment fee is assessed to deferred payments. A late payment fee is assessed for each late payment.

THIRD PARTY REIMBURSEMENT

Funds Paid Directly to the University. Students whose accounts will be paid directly to the university by a third-party sponsor, such as a company, church, or other organization, must submit acceptable written commitment to the university.

The university may defer payment of the reimbursement amount until funds are received from the third party. Any amount not covered by the third party must be paid by the student. A deferment fee will be charged. If the student's bill remains unpaid contrary to terms of the third-party agreement, continued enrollment may be delayed until suitable arrangements are made. The student is ultimately responsible for the timely payment of the account. Third party reimbursement must be received by the university no later than 60 days after completion of the term. If funds are not received on time the student is responsible for the remaining balance due.

Funds Paid Directly to the Student. Students whose accounts will be paid directly to the student must follow the guidelines for deferred payments listed under Payment

Polices. A deferment fee will be charged. The student remains responsible for all charges associated with his program.

PAST DUE BALANCES

In the event a balance remains after the close of the term in which the charges were incurred, an interest charge of 1.5% monthly will be added to the unpaid balance. This interest charge will continue monthly until the balance is paid in full. Students who are delinquent with payments may not be allowed to continue in classes or register for future classes. Any outstanding balance from a previous term must be paid before enrolling for the next term. Delinquent accounts may be placed with a collection agency and are subject to legal action.

REFUND POLICY

Tuition refunds are made in accordance with the schedule below only after the student notifies the Registrar's Office of his intention to drop or withdraw. If room or board charges apply, these charges will be based on the prorated period of occupancy during each term of residency. All other fees and charges are non-refundable. If charges have been paid by check, refunds are not made until the check has cleared the bank. In addition, refunds are not made until the conclusion of the published refund as described in the Refund Schedule below:

If withdrawal results from misconduct, Faulkner University is under no obligation to make any refunds. Scholarships

will be adjusted at the same rate tuition is refunded. No combination of awards, however, my result in a refund of more than 100% of the student's total charges.

STUDENT RESOURCES

LIBRARY SERVICES

Gus Nichols Library (GNL), on the main campus, houses a library collection of well over 100,000 volumes and offers an online catalog, online databases, microformat viewing and printing, interlibrary loan and copy services. GNL has an extensive collection of periodicals and provides a variety of formats such as video cassette, audio cassette, CDs, DVDs and films which support the university's curriculum. Qualified professionals and a friendly staff are available at all times to assist students. Check the library's website for more information—<http://library.faulkner.edu>.

GNL is an institutional member of the American Library Association, the Association for College and Research Libraries, the Alabama Library Association, the Christian College Librarians group, the Network for Alabama Academic Libraries and the Southeastern Library Network.

STUDENTS WITH DISABILITIES

Faulkner University seeks to be learner-friendly for students with disabilities. Students with diagnosed disabilities should direct their inquiries to the Director of Project Key (334-386-7185) or to the Vice President for Academic Affairs 334-386-7100. Disability documentation must be provided from an appropriately qualified professional (i.e., physician, psychiatrist, or psychologist). Each semester the student must meet with the Director of Project Key in order to establish a specific accommodation plan. The university seeks to be helpful and cooperative. Nevertheless, the responsibility for learning clearly rests with the student, and the student must take the initiative in arranging for the accommodations.

CLASS CHANGES

ADDITIONS TO CLASS SCHEDULES

In order to add a class to a schedule, a student must have his faculty advisor complete and sign the Add Form. The student must take this form to the Registrar's Office before the fifth day of the semester. A fee is charged for each Add form processed, except in the case where the student must choose another class due to the cancellation of a class for which the student had been registered.

WITHDRAWALS FROM CLASSES

A student may drop a course or withdraw from school (drop all courses) without academic penalty through the date identified in the Academic Calendar of each program as the "last day to drop a class with a W." The "last day to drop a class with a W" for traditional programs is normally the Friday of the third week following mid-term exams. During this period of time a student may drop a course by completing a drop form and securing the appropriate signatures. Drop forms are available in the Registrar's Office, and must be returned before the time noted in the above paragraph. A student withdrawing from school (all courses) must obtain a withdrawal form from the Registrar's Office and must secure all signatures indicated on the form. All drops/withdrawals after the published "last day to withdraw with a W" will result in a grade of F, which will adversely affect the grade point average. A student has not officially withdrawn from a class or from school until the prop-

er forms have been filed with the appropriate offices. In addition, tuition is charged, or refunded, according to the appropriate program Refund Policy in this catalog.

STUDENT RECORDS

Students may order transcripts from the Office of the Registrar by filling out forms there and paying appropriate fees.

FINANCIAL AID

Faulkner University is a private, nonprofit institution. It must generate income from the following sources: student tuition and fees, grants, private gifts, endowment earnings and auxiliary enterprises. The university reserves the right to adjust fees and rates at anytime as deemed necessary. Financial Assistance. Information concerning loans is available through the Financial Aid Office. Financial Aid Satisfactory Progress. Students must be making satisfactory progress in order to be eligible for financial assistance. Financial Aid standards for satisfactory progress are not necessarily the same as academic standards for good standing.

SCHOLARSHIPS. Scholarships are available to qualified students. Scholarships are provided by individuals and congregations interested in assisting those who wish to prepare themselves for Christian service.

Scholarship applications may be obtained from the respective office of the Dean in the college of the graduate degree being pursued. All applications for aid should be submitted as far in advance of actual enrollment as possible. Those who apply early have a higher probability of obtaining assistance. Applications are encouraged up to six months prior to the date the student plans to enroll. Scholarship applicants may find it beneficial to file a FAFSA form (below) in order to demonstrate financial need.

The following factors will be considered in awarding scholarships:

1. Evidence of the student's promise for Christian service.
2. The student's previous academic record.
3. The student's financial need.

Scholarships are awarded only

on an annual basis. Students desiring scholarship assistance must re-apply each school year. Scholarship assistance will not be applied to charges for fees or for auditing courses. Scholarships cannot be applied to a course that is repeated if such assistance was granted when the course was first taken.

STUDENT LOANS. Educational loans provide an excellent source of financial assistance needed to meet the expense of your Faulkner University education. Faulkner offers a variety of loan programs to meet the borrowing needs of our students. The primary source for students is the Federal Stafford Loan Program. In order to qualify for the Stafford Loan Program, the student must submit the Free Application for Federal Student Aid (FAFSA) to establish eligibility. The FAFSA can be completed by going to the Financial Aid website at www.faulkner.edu, as well as, the other necessary financial aid documents can be obtained from the same site.

FEDERAL SUBSIDIZED STAFFORD LOANS. The federal subsidized Stafford loans are awarded on the basis of financial need. The need is determined from the results of the FAFSA. The federal government pays the interest accruing on the loan while the student is enrolled at least half time. The principal loan amount is deferred until six months after the student graduates, drops below half time or completely withdraws from school. A graduate student is able to borrow up to \$8,500 per year in subsidized loans. The interest rate on a federal subsidized Stafford loan is fixed and may change each July 1st. For any additional information or the necessary forms, please contact the Faulkner financial aid office.

FEDERAL UNSUBSIDIZED STAFFORD LOANS. The federal unsubsidized loans are not awarded on the basis of need. The student is charged interest from the time the loan is disbursed until it is paid in full. The student has the option of paying the interest while in school or capitalizing the interest at

repayment. The principal loan amount is deferred until six months after the student graduates, drops below half time or completely withdraws from school. A graduate student is able to borrow up to \$12,000 per year in unsubsidized loans. The interest rate on a federal unsubsidized Stafford loan is fixed and may change each July 1st. All of necessary forms and information concerning applying for financial aid can be found at the Financial Aid website (www.faulkner.edu).

REPAYMENT. The student does not enter repayment on these loans until he/she has graduated, dropped below half time or withdrawn from school. If any of these do occur, then the student will start repayment six months later. The loans are extended over a 10-year repayment period and may be extended for even a longer period based on the amount borrowed. The individual lenders will contact the student concerning repayment terms.

GRADPLUS LOANS. The GRADPLUS Loan program is available for our GRAD/Professional students to help them cover additional expenses relating to their educational needs. The amount they are eligible to borrow is the Cost of Attendance minus all other financial aid.

PRIVATE EDUCATIONAL LOANS. In addition to federally supported loans, many private lending institutions offer loans to students and families seeking assistance to meet expenses related to attendance at Faulkner University. The student can contact the financial aid office for a listing of the preferred lenders.

VETERAN'S BENEFITS. Veterans and dependents may be eligible for benefits. For additional information or questions concerning benefits the student may contact the Military Education Office at Faulkner.

Notification of the professor and/or the respective college is expected in such cases.

No diploma, transcript or letter of recommendation will be released, nor will action be taken in regard to placement, until such time as all financial obligations have been met. Students will be graduated only after their debts to the university have been paid, or arrangements satisfactory to the university have been agreed upon.

CONDUCT REGULATIONS

In matters of personal conduct, students are expected to behave as responsible citizens in a Christian community. A student's application for admission constitutes acceptance of the objectives and regulations of the university. The university reserves the right to dismiss a student whenever, in its judgment, the general welfare of the university seems to require such action. In all cases, careful attention is given to ensure that "due process" is provided to all students who are charged with violating any university regulation.

Detailed conduct regulations appear in the Student Handbook, published on the university's web site. Representative of these are the following:

- Students must abide by published dress and grooming codes

- The university prohibits the use of tobacco in any form on campus.

ACADEMIC STANDARDS

ACADEMIC APPEALS

A student who has a problem with a professor or disagrees with a course grade should begin by going directly to the professor to share the concern or complaint within two weeks of the occurrence or grade report. If the meeting with the professor does not resolve the issue, the student may appeal to the dean of the professor's college within a month of the occurrence or grade report.

POLICY ON ACADEMIC HONESTY

Cheating and Plagiarism. Cheating on an examination or an assignment undermines the ethics of the academy and the specific Christian purposes of Faulkner University. Accordingly, students who cheat on examinations or assignments will face serious consequences, as outlined in the policy below. Plagiarism is a form of cheating. Plagiarism is the transmission of another's ideas, words, or materials as one's own and/or the failure to credit accurately the ideas, words, or materials of another. Plagiarism also includes passing off another's work (a friend's, parent's, a website's) as one's own. Plagiarism undermines the ethics of the academy and the specific Christian purpose of Faulkner University. Accordingly, students who engage in plagiarism in papers submitted will face serious consequences, as outlined in the policy below.

PENALTIES FOR ACADEMIC DISHONESTY

- On the first offense, the student will receive a 0 for the examination or assignment.
- Professors shall send documentation of the first offense to the appropriate chair, the dean of the appropriate

college, the Vice President for Academic Affairs, and the Dean of Students.

- On the second offense, the student will receive an F in the course. Professors shall send documentation of the second offense to the appropriate chair, the dean of the appropriate college, the Vice President for Academic Affairs, and the Dean of Students.
- If the student receives an F in two courses for cheating and/or plagiarism, he or she will be suspended from the university.

Professors should maintain the highest standards of academic honesty both in and out of the classroom. Professors must report and apply the rules regarding cheating and plagiarism through appropriate channels.

GRADING SYSTEM

Unless otherwise stated below, grades are recorded for graduate courses in recognition of certain levels of achievement and are interpreted as follows:

- No grade below C will count toward degree requirements. Students are allowed two grades of C in their courses. A student receiving a third C will repeat one of the courses to improve his or her grade for that course to B or better.
- A grade of W is posted when a student drops a course before the deadline specified on the university's Academic Calendar. A grade of F will be posted when a student drops a course after the specified date in the Academic Calendar. These standards apply whether the student withdraws from a course voluntarily or non-voluntarily.
- An I (Incomplete) is awarded only when necessary and

A	Excellent or Outstanding	4	I*	Incomplete	
B	Good or Superior	3	W*	Withdrawn	
C	Satisfactory or Average	2	P	Passing, no reference to achievement

not for the convenience of students who wish more time to complete their work. If an I is not replaced by another grade by the last day of classes of the following term it automatically becomes an F.

- AU is the grade assigned for a course audited or otherwise taken without credit. If an auditor discontinues, a W is assigned.
- R is the grade assigned a course which is being repeated or duplicated. Credit will not be given twice for the same course. The last grade earned will be the one used to determine if requirements have been met and in calculating averages unless the student withdraws before the announced deadline. A failing grade may be removed from GPA calculation only by repeating the course failed.
- S and U grades are used when it is not feasible to evaluate achievement more precisely or when work is still in progress and not overdue.

After a final grade has been awarded, it cannot be changed except when it is quite clear that a major error has been made. Students will not be given additional time to raise a grade.

REPEATING COURSES

A student should consult with his or her academic advisor before repeating a course in which he or she has a low or failing grade. The purpose of this consultation is to examine the cause(s) of the previous poor work and to discern specific steps necessary to succeed in the repeat. When a course is repeated, the last grade is used in the computation of the GPA.

GRADE POINT AVERAGE

Scholarship level is expressed in terms of a grade point average (GPA) calculated by dividing total quality points earned by credit hours attempted. Semester and cumulative averages are recorded on the permanent academic record and on semester grade reports. Averages are used to determine academic probation and suspension, renewal of academic scholarships, and eligibility for degrees.

GRADE REPORTS

Students may check their final grades online at the university website. The student should review low grades promptly with his advisor. Official notice of academic honors, probation, or suspension is indicated on the grade report.

CLASS ATTENDANCE

Regular class attendance by all students is a requirement of the university. Class attendance is an academic matter, and excessive absences

result in academic penalty. A grade of F will be recorded for any class in which the student's absences exceed 25% of the total class meetings for that course. All absences for whatever reason count toward the 25% rule. Instructors may allow students to make up work missed because of a serious illness of the student, or because of a death in his or her family. Students who are absent because they are away from campus to represent the university may make up work only if such absence is approved in writing by the appropriate dean's office, or by the Vice President for Academics. When a student is allowed to make up a specific test or assignment because of an absence, the absence still counts toward the 25% rule. Individual programs may have more stringent attendance requirements. Instructors post their attendance policies in their syllabi. MCJ is an online program, and does not have classroom attendance requirements.

ACADEMIC STANDING, PROBATION AND SUSPENSION

Graduate students must maintain a cumulative graduate GPA of 3.00 to remain in good academic standing. Evaluation of academic standing occurs each term. Since many graduate students carry part-time loads, each graduate program may set this evaluation at the number of hours considered a full term, rather than by the calendar. MCJ handles probation and suspension on a case by case basis. Students should consult their particular sections of this catalog for details.

PROBATION. The first semester a student's cumulative graduate GPA falls below a 3.0, he or she will be placed on probation. A student may be placed on continued probation for one more term if the term GPA is 3.0 or higher during the first term of probation.

SUSPENSION. The second successive semester a student's cumulative graduate GPA falls below a 3.0, he or she will be suspended from the graduate program for one semester, unless the student has a 3.0 or higher GPA that semester, in which case he or she will be continued on probation. The third successive semester a student's cumulative graduate GPA falls below a 3.0, the student will be suspended from the graduate program regardless of his or her GPA for that semester.

Any time a student's semester GPA falls below a 2.0, he or she may be suspended immediately regardless of his or her previous average. Grades below C may result in academic suspension or termination at the discretion of the graduate faculty. Any time a student's semester GPA falls below a 2.0, he or she may be suspended immediately regardless of his or her previous average

**THE ALABAMA CHRISTIAN
COLLEGE OF
ARTS & SCIENCES**

INTRODUCTION

**DEPARTMENT OF CRIMINAL
JUSTICE & LEGAL STUDIES**

**GREAT BOOKS
HONORS COLLEGE**

**DEPARTMENT OF SOCIAL &
BEHAVIORAL SCIENCES**

The Alabama College of Arts and Sciences provides the university the liberal arts core curriculum upon which all subsequent learning is based. Each degree program with their respective concentrations in one of the various disciplines is built upon this foundation of the liberal arts core. The study of the liberal arts is approached through the lens of a Christian worldview and includes the study of the Bible and related courses as part of the curricular core. Historically understood, the study of the liberal arts helps students acquire knowledge and understanding as a good in itself, shape their moral character, prepare them for a useful career in the community, and contribute to their freedom by avoiding the pitfalls of ignorance and parochialism.

The following departments and entities comprise the Alabama Christian College of Arts and Sciences:

- Evening and Weekend Programs
- Christian Institute for the Study of Liberal Arts
- Great Books Honors College
- Department of Computer Science
- Department of Criminal Justice & Legal Studies
- Department of English
- Department of Fine Arts
- Department of Humanities
- Department of Mathematics
- Department of Physical Education and Sports Management
- Department of Natural and Physical Sciences
- Department of Social and Behavioral Sciences

UNDERGRADUATE OFFERINGS

The following majors are available through the departments listed above: Biology, Computer Science, Computer & Information Science, Counseling, Criminal Justice, English, History, Informatics, Legal Studies, Liberal Arts, Music, Music Theater, PE (N-12), Psychology, Social Science, Sports Management, and Theater. Additionally, existing degrees in science have been tailored for students seeking professional curricula such as pre-dentistry, pre-medicine, pre-pharmacy, pre-physical therapy, and pre-veterinary medicine. Apart from the baccalaureate degree in these disciplines the college also offers the general Associate of Arts and Associate of Science degrees.

The College of Arts & Sciences emphasizes the importance and versatility of a Liberal Arts education. The Liberal Arts Degree is typically understood as one that concentrates on a significant amount of writing, reading, critical thinking, and research. Often it is contrasted with math, science, or business. In reality, many liberal arts

majors are employed within these fields and within related fields. According to Fortune magazine, nearly one-third of all CEO's majored in Liberal Arts. Therefore, as part of the requirements for the Liberal Arts Degree, all students will take 18 hours in one of the many disciplines offered through the various departments within Arts & Sciences, as well as through the disciplines of the Colleges of Biblical Studies and Business.

EVENING AND WEEKEND PROGRAMS

Faulkner University, in addition to the Bachelor of Science degrees in Executive Business Administration (BBA) and Human Resource Management (HRM) offered through the Harris College of Business, also offers seven evening and weekend programs coordinated through the Alabama Christian College of Arts and Sciences:

- Adult Associate of Arts (AAA)
- Associate of Science in Computer and Information Science (ASCSIS)
- Associate of Science in Informatics (ASINF)
- Associate of Science in Legal Studies (ASLS)
- Associate of Science in Criminal Justice (ASCJ)
- Associate of Science in Criminalistics (ASCRI)
- Bachelor of Science in Criminal Justice (BCJ)

These programs, offered entirely in the evening and on selected weekends, primarily target a non-traditional student population. They provide the students the opportunity to complete an associate and/or a baccalaureate degree without concern for either scheduling conflicts or a lack of required classes for graduation.

The Adult Associate of Arts (AAA) degree allows the student to obtain an associate degree but also prepare them for entrance to the baccalaureate degrees (at night also) available in both the Colleges of Arts & Sciences and Business. The requirements for this degree (AAA) are the same as previously specified for the traditional Associate of Arts, except that the lab requirement for science is waived.

In these seven programs, course selections are from the University's regular (traditional) offerings. Classes are scheduled in two eight-week sessions per term. This allows students to concentrate their effort on only two courses simultaneously, most of the time. All classes are offered in a sequence to ensure beginning and completion dates; however, the guaranteed completion date assumes that the student takes, and successfully completes, all required courses as scheduled. [Schedules of the semester modules may be picked up at any time in the office of the Coordinator

DEPARTMENT OF CRIMINAL JUSTICE & LEGAL STUDIES

Faulkner University offers a fully accredited Master's Degree which can be completed through an online environment in about a year (MCJ) or over a two year period depending upon the student's preference (MJA). Our program is designed for the self-motivated, disciplined, college graduate or professional who prefers the convenience and flexibility of an online educational environment over the expense and structure of classroom attendance. Our students represent a wide variety of backgrounds and experiences and reside throughout the U.S. and overseas.

The Faulkner program is not for everyone, however. As a Christian University, we strongly emphasize ethics in all of our courses and we expect our students and graduates to reflect this emphasis in their work. In addition to a separate course on Ethics, each of our component courses is taught from an ethical perspective. We feel that in today's climate this best prepares our students for the choices they must make as CJ executives.

Another unique aspect of our program is that it is designed around real world experiences for the practitioner. Our faculty has been selected as much for their expertise in the areas taught as for their teaching abilities. Faulkner students benefit greatly from those who understand the varied topics they teach from the ground up, not just from textbooks. A third aspect of our program involves the personal attention

and care that can only be experienced in a small class environment. Our classes are deliberately small (not over 15 students). This allows personal interaction between the professor and each of our students, making this a "family" atmosphere rather than a sterile classroom environment.

ADMISSION REQUIREMENTS

The Master of Arts (MA) and Doctor of Philosophy (PhD) programs seek to admit graduate students who have demonstrated, through their academic performance, aptitudes to complete graduate work at the highest level. Admission is privilege granted by the College rather than a right to be assumed by those meeting minimum qualifications. A prospective student must be of good character and standing within his or her community. An applicant's undergraduate program ideally would represent a broad based curriculum including the disciplines of English, History, Mathematics, Natural and Social Sciences, and a foreign language(s).

Applications cannot be processed until all required materials are received. As soon as they have been received, the applicant will be notified that the file is complete. If admission is granted, the admission offer will be valid only if the applicant enrolls during the term indicated on the application. When submitted, all application materials become the property of Faulkner University; none will be returned to the applicant. To qualify for admission to the MA or PhD programs, an applicant must:

- Hold a completed undergraduate degree from a regionally accredited institution. Applicants to the PhD program must also hold a similarly accredited graduate degree.
- Hold a minimum cumulative grade point average of 3.0. If the student does not meet this requirement, the student may request conditional admission.
- Request that all schools previously attended send official transcripts directly to the Director of the College. Hand delivered copies, photocopies, and printouts of grade reports are not acceptable.
- Submit an acceptable graduate test score: a combined verbal and quantitative score of 1000 or above on the Graduate Record Examination (GRE), or score of 400 or above on the Miller Analogy Test (MAT).
- Submit an acceptable TOEFL score of 500 or above if English is not the applicant's first language.
- Submit three letters of recommendation with specific comments regarding the applicant's academic work, professional experience, and ability successfully to complete graduate study. These letters are usually from the applicant's previous instructors or supervisory

personnel.

- Submit a personal goals statement of approximately 300 words that identifies how the program to which the student is applying will contribute to those goals.
- Submit a \$35 non-refundable application fee along with a completed application form (MA, PhD) and other required materials listed above.
- Receive approval by the respective program director.

To summarize the necessary application materials, therefore, students must supply:

- A completed application form (MA, PhD);
- Official transcripts from all colleges and universities attended;
- Scores from the GRE or MAT;
- A score from the TOEFL (if applicable);
- Three recommendation letters;
- A personal statement of goals; and
- A \$35 non-refundable application fee.

POLICIES

In addition to policies stated elsewhere, the following policies apply to students pursuing the Master of Arts (MA) and Doctor of Philosophy (PhD) degrees:

GRADING, TRANSCRIPTS, AND TRANSFER POLICIES

Course grades will be determined by the evaluation of assignments as stated in the syllabus for each course of the program. The theses and dissertations are graded by the supervisor, a research fellow, and two assigned readers. Proof of the necessary previous degree(s) will require the submission of an official transcript of all coursework and degree(s) to be filed in the Registrar's Office. A student who has earned graduate credit in comparable courses (as determined by the program director) from a regionally accredited institution may transfer up to 9 semester hours toward the MA or PhD degree. No grade lower than a B is transferable toward the MA or PhD degree.

CLASS ATTENDANCE AND PARTICIPATION

The MA and PhD programs requires class attendance via Blackboard and Skype conference calls. Class attendance

and participation is an academic matter and absences (e.g., not being present at conference calls, submission of late work) result in academic penalty. Apart from extreme situations (which may require documentation) the student is expected to attend every conference class, be on time, and not leave early.

THESIS AND DISSERTATION PROCEDURAL REQUIREMENTS

A student must submit a written MA thesis or PhD dissertation proposal for approval by the Graduate Faculty Committee, which includes the director of the student's program. The Committee will evaluate the proposal. A student must maintain a "regular admission" status if the thesis goes beyond the time period in which the student matriculated for the thesis course. The continuing matriculation fee for the thesis course is \$100 per semester of extension.

The thesis or dissertation is guided by a faculty supervisor as requested by a student, agreed by the faculty member, and approved by the program director. Two readers are recommended by the Thesis Supervisor and approved by the Director. Via Skype conference call, the student defends the thesis before his or her supervisor, research fellow, readers, and an outside faculty member appointed by the Director. Current students should also see the "Thesis and Dissertation Manual" for further information (Scholarnet login required).

GRADUATION REQUIREMENTS

Students applying for graduation must earn a minimum cumulative GPA of 3.0 for their entire degree, including the thesis or dissertation grade. No grade lower than a C is accepted in the degree program. No more than 6 hours of coursework earning a C may be applied toward the degree. The thesis or dissertation must be successfully defended and receive no lower than a B.

Students anticipating completion of the degree should submit an application for graduation in the first month of the semester they plan to graduate. Students must also ensure that all obligations to the university are met prior to graduation. All MA and PhD graduates may participate in the on-campus commencement ceremonies but are not required to do so. In the event that the student elects to march at graduation, the student must notify the program director on the graduation application. Diplomas of those students not marching will be mailed within two weeks of the graduation ceremony.

To summarize the MA and PhD programs' graduation requirements, students must have:

- A minimum cumulative GPA of 3.0 for the entire program;
- No grade lower than a C for the entire program;
- A C for no more than 6 hours' credit toward the degree;
- A thesis or dissertation successfully defended with a minimum grade of B;
- A graduation application; and
- The fulfillment of all obligations to the University.

For additional information, please see the MA and PhD program details.

DEPARTMENT OF SOCIAL & BEHAVIORAL SCIENCES

PROGRAM MISSION

The purpose of the Master of Science degree in Counseling is to provide a strong graduate program of equipping and training of professional counselors, to promote scholarly work, and to continue the growth and mission of Faulkner University. As a result, the M.S. degree will train and produce counselors of character, who are committed to moral excellence, individual freedoms and diversity, personal and social responsibility, and the pursuit of academic growth and development. Hence, Faulkner graduates will be fully equipped with the necessary knowledge and skills to promote the profession of counseling through service to others who seek their services.

The Counseling program will prepare students to enter a variety of occupations in the counseling and mental health field. The degree will be developed to meet the state and national regulatory criteria leading to licensure and certification of professional counselors. Completion of the program does not guarantee licensure. Our curriculum will address the educational and experiential needs of our students as they learn to understand the process of development, counseling theory, and integration of their faith in the counseling profession. These areas will be addressed through coursework, intensive clinical training and practicum and internship experiences. With the assistance of the faculty and staff in our department we will strive to help our students meet the following goals:

1. To acquire expertise in the counseling field and develop leadership and service abilities needed to help those who pursue counseling.
2. To develop students of strong moral and ethical character with dispositions to understand and relate to the needs and concerns of those who seek their services.
3. To provide a challenging educational experience, that will encourage each student to understand their profession as a lifelong mission, and to apply biblical principles of genuineness, empathy and integrity in their daily counseling sessions.
4. To further develop and sharpen strategies and skills in counseling which will set them apart in their respective schools as professional counselors.
5. To understand the importance of daily reflection in an effort to sharpen the skills of critical thinking and problem solving in becoming a competent professional.

COURSE CURRICULUM REQUIREMENTS:

The Master of Science degree is a 61 semester hour online and campus program. The program utilizes a variety of online resources and tools for course management, conferencing, online discussions, student portfolios, student evaluations, etc. The majority of the courses in the program can be completed in the online environment. The Counseling Field Experience Course—COU- 6390 Counseling Practicum; 6995 Internship in Counseling; COU 6596 Clinical Training I; and COU 6597 Clinical Training II—are exceptions. The two clinical training courses—COU 6596 Clinical Training I and COU 6597 Clinical Training II—meet on Faulkner's Montgomery campus for face-to-face skills training and supervision once per semester. The two clinical experience courses—COU 6390 Counseling Practicum (3 hours) and COU 6995 Internship in Counseling (9 hours)—are designed to allow students to demonstrate the practical application of their counseling knowledge and skills in a clinical setting. The clinical experience courses

require a student to complete supervised clinical experience at a site approved by the Graduate Counseling Program Director. The Graduate Counseling Program Director will seek to facilitate placement at an approved site to proximity to the student's residence. Given the breadth of the content areas, the clinical trainings, and the clinical experiences, the Master of Science in Counseling degree provides a solid foundation to begin counseling as a professional.

PRACTICUM COURSES:

The practicum course, COU 6390 Counseling Practicum, will provide the first opportunity for students to practice the skills learned in previous course work to actual counseling situations. These students will be supervised by a Licensed Professional Counselor (LPC), and the course instructor. The students will be required to complete 100 hours of supervised experience (40 face to face, 60 indirect), during the semester in which they are registered for the course. Sessions with clients will be recorded for feedback and skills development. Over the 15 weeks of the semester, students will meet in the online classroom, with an additional hour required for meeting with their supervisor.

INTERNSHIP:

The internship course, COU 6995 Internship in Counseling, will provide a more extensive experience and will build upon the skills learned in the practicum course. The students will be required to complete a 600 hour internship experience, as well as participate in the internship class in the online classroom.

GRADUATION REQUIREMENTS:

Sixty-one (61) hours with a cumulative GPA of 3.0 on all graduate credits with no grade lower than a B in any given course. No more than 6 semester hours of C may be applied toward graduation requirements.

COMPREHENSIVE EXAMINATIONS:

A written comprehensive examination will be required for

the Master of Science (Community Counseling) degree. The examination will be prepared by members of the graduate faculty who have taught the student. The examination will normally be administered during the student's last semester. The candidate will be notified of the time and place of the examination at least a month prior to the scheduled date. An oral examination or online interview may be required in addition to the written examination.

Faculty who contributed to the examination will grade it as pass/fail. More than one faculty member will grade each exam. Reasons will be stipulated when an examination is failed. Students will be given the results of the examination within 10 days after the examination date.

Students who fail the examination will be given the opportunity to take it again. Students who fail the comprehensive examination twice must retake some coursework for remediation purposes in order to take the exam again.

TIME LIMIT:

All requirements for the Master of Science in Counseling degree must be completed within a period of five (5) calendar years.

APPLICATION FOR DEGREE:

Application for graduation should be made when registering for the last semester of work and the student should notify the Chair of the Department of Social and Behavioral Sciences of his/her intention. The application date and form can be obtained in the registrar's office.

(ACADEMIC POLICIES PERTAINING TO) GRADING, TRANSCRIPTS, AND TRANSFER POLICIES

Faulkner University, by its mission statement, is well known as a Christian university. Each student should know, understand, and accept the academic expectations as policies of the University. Each student is personally responsible for meeting the different requirements for the Master of

Science in Counseling degree. The University reserves the right to adapt its programs and policies as may be necessary. Students with matters of concern should consult with the Chair of the Department of Social Behavioral Sciences.

TRANSCRIPTS:

An official transcript of a student's academic record will be issued upon request of the student. The first is free; a fee of \$5.00 is charged for each subsequent request. Requests should be directed to the Registrar's office. Transcripts will not be issued for students whose accounts are delinquent.

AUDIT:

Students are permitted to audit a course provided that there is room in the classroom and that the number of auditors is not more than 20% of the class enrollment. A fee of \$225.00 (per course) is charged, but no credit granted. With permission of the professor a student may change his/her registration from credit to audit or audit to credit during the first three weeks of the semester. After this time his/her options are to continue as registered or withdraw from the course.

TRANSFER CREDITS:

A student who has earned a graduate credit in a Master's program for other institutions will be evaluated by the graduate counseling program committee to ascertain courses which can be applied to Faulkner's program. Students from a regionally accredited institution may transfer a maximum of 12 semester hours or four courses into the Master of Science in Counseling program. The Director of the Graduate Counseling Program must approve transfer hours.

UNITS OF CREDIT:

The unit of credit is the semester hour. One semester hour of credit represents approximately fifteen hours of lecture-discussion activity and examinations.

STUDENT LOAD:

Full-time Load: For academic purposes, a student enrolled for six (6) graduate semester hours is classified as a full-time student in this Masters program.

Maximum Load: No student may register for more than three courses per semester unless that semester includes Clinical Training I or II. In semesters where the student has registered for Clinical Training I or II the maximum number of hours allowed is 14.

ADVISEMENT:

The Director of the Counseling program will assign an

advisor to provide the student assistance with planning his/her program, with registration and with evaluation of his/her progress. The advisor should approve each semester's schedule and any changes made. The student, however, is personally responsible for meeting University catalog requirements or for seeking written approval of any exceptions. Ultimately, it is the student who bears responsibility for directing his or her progress through the program.

Grade Point Average:

Scholarship level is expressed in terms of a grade point average (GPA) calculated by dividing total quality points earned by credit hours attempted. Semester and cumulative averages are recorded on the permanent academic record and on semester grade reports. Averages are used to determine honors, academic probation and suspension, renewal of academic scholarships, and eligibility for certificates and degrees.

GRADE REPORTS:

Final grade reports will be posted online. The student should review low grades promptly with his or her advisor. Official notice of academic honors, probation, or suspension will be reported by the Registrar's Office.

CLASS ATTENDANCE:

Regular class attendance is a requirement of this degree program. Because of the theoretical, experiential, and social learning that will take place in this program, students are strongly encouraged to be in the online classroom several times during each week of the semester. Class attendance is an academic matter and absences result in academic penalty.

GOOD ACADEMIC STANDING:

The student must maintain a cumulative GPA of 3.0 to remain in good academic standing

ACADEMIC PROBATION AND SUSPENSION:

Should the student's GPA on the first six (6) hours of graduate work be below 3.00, he or she will be placed on academic probation. A student on academic probation will not be able to enroll for more than six more hours during any term the probation applies. The student on academic probation is required to achieve a 3.00 cumulative GPA by the time he or she has earned the next six (6) hours of graduate work. Failure to do so will result in suspension for the next regular term. A course in which the student has earned a grade of C or below may be repeated.

INTRODUCTION

The Bible is the heart of the curriculum at Faulkner University, and all courses in the University are taught in the light of the teachings of the Bible. The Bible is accepted and taught as the inspired, authoritative and all-sufficient Word of God. By precept and example, training for dedicated Christian service is emphasized in and out of the classroom. The faculty in the College of Biblical Studies underscores the opportunities for trained Christian servants and the importance of exemplary lives.

Christians in the 21st century face tremendous moral and intellectual challenges. The sheer distance in time and space between the origins of Christianity and our contemporary world makes understanding and applying the Biblical text to our times a challenging task.

Faulkner University seeks to serve its students by helping them to emulate Christ in attitude and behavior and to master knowledge and skills appropriate to Christian servants. We offer the Master of Arts in Biblical Studies as the capstone of our efforts to discover and to communicate the knowledge of God's Word, we offer two Master of Arts degrees: The Master of Arts in Christian Ministry equips the student with advanced skills for the practice of Christian ministry. The Master of Arts (Biblical Studies) prepares the student for advanced studies in the biblical text. Additionally, the Ph.D. in Biblical Studies is an advance research degree.

ADMISSION TO THE KEARLEY GRADUATE SCHOOL OF THEOLOGY

The Kearley Graduate School of Theology seeks students who have demonstrated by their academic performance, other achievements, and personal conduct that they are qualified for advanced study and may be expected to be a credit to Faulkner University and a contributor to their communities and professions. As stated at the beginning of this catalog, Faulkner University does not discriminate on the basis of handicap, race, color, national origin, or ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, athletic programs, or other school-administered programs. As a private, church-related institution, the university is permitted to consider information on the student's conduct and confidential references on aptitude,

reputation, and the apparent potential of the applicant. Religion, sex, and reputation may be considered in placement in churches and church-related roles.

The four-year undergraduate program of the student entering Kearley Graduate School of Theology should represent work in English grammar, composition, literature, history, education, psychology, natural sciences, languages (particularly Greek or Hebrew), the Bible, and closely related subjects. Although the college graduate may be accepted as a graduate student without courses in all these fields, the student preparing for graduate study in biblical studies is encouraged to take courses in the area of biblical studies in order to strengthen areas of deficiency.

All applicants to the Master of Arts program must comply with requirements at the beginning of this catalog under the heading "General Admissions Policies." In addition, the following standards apply to applicants

DOCTOR OF PHILOSOPHY IN
BIBLICAL STUDIES

The Ph.D. in Biblical Studies consists of 54 semester hours of course work beyond the master’s degree. All students must take the foundational course, Biblical Scholarship and Christian Ministry, and a seven-course core which exposes all students to the breadth of academic experience in biblical studies. Students choose one of two major tracks – Old Testament or New Testament – to complete the remaining fifteen semester hours of course requirements. The major track consists of four advanced seminars in the primary biblical text (Hebrew, Aramaic, or Greek). The non major track consists of two advanced seminars in the primary biblical text (Hebrew, Aramaic, or Greek) in order to facilitate an interdisciplinary exposure in biblical studies. Students must also pass

language proficiency exams in the biblical languages (Hebrew, Aramaic, and Greek) before registering for textual seminars and an exam in one secondary research language (German, French, Spanish, Latin, etc.) before taking the comprehensive examination. A student must pass the comprehensive exams to advance to the dissertation modules. Finally, the dissertation consists of twelve hours (four dissertation modules of three hours). All students must prepare and successfully defend (via conference call) their doctoral dissertation.

MASTER OF PHILOSOPHY

Prior to the dissertation a student may receive a Master of Philosophy (M.Phil.) degree. Essentially, the M.Phil. degree is a milestone on the way to the Ph.D. in Biblical Studies. The M.Phil. is not a free-standing degree program within the Kearley Graduate School of Theology. It is awarded to Ph.D. candidates who have satisfactorily completed all of the requirements for the Ph.D. except those relating directly to the dissertation. Ph.D. students who have exhibited suitable research, maintained a 3.0 GPA, and passed their comprehensive exams may apply for and obtain the M.Phil.

A *terminal* M.Phil. may be conferred if a student chooses to withdraw from the Ph.D. program after successful completion of all requirements except those relating directly to the dissertation or if, in the judgment of the graduate faculty, a student's doctoral candidacy is no longer sustainable.

1. The faculty may recommend in consultation with the director of graduate studies that the student be given terminal M.Phil. status.
2. The faculty may initiate the action in consultation with the director of graduate studies and the student involved.
3. The student may request the faculty to recommend the action.
4. Students given terminal M.Phil. status shall not be eligible to reapply for admission to a Ph.D. program in the Kearley Graduate School of Theology

The four-year undergraduate program of the student entering Kearley Graduate School of Theology should represent work in English grammar, composition, literature, history, education, psychology, natural sciences, languages (particularly Greek or Hebrew), the Bible, and closely related subjects. Due to the format of the Ph.D. in Biblical Studies, no transfer credits from other institutions will be accepted.

STUDENT LOAD

Full-time status is classified as two courses per semester (fall, spring, summer).

CLASS ATTENDANCE AND PARTICIPATION

Class attendance via web-based technologies is a requirement of this degree program. Class attendance and participation are academic matters. Absences (not being present at conference and live collaborative meetings) and submission of late work result in academic penalty. Apart from extreme situations (which will require documentation) the student is expected to attend every collaborative session, to be on time, and to remain for the duration of each session.

FACULTY AND STUDENT COMMUNICATION

The Ph.D. in Biblical Studies seeks to be distinctive in both content and form. The faculty seeks to establish a community by developing an environment that encourages communication.

Students are encouraged to interact with faculty and other members of the learning community via email or another academically approved platform. Faculty members are mandated by policy to respond to student communications within 24 hours.

DISSERTATION PROCEDURAL REQUIREMENTS

The dissertation is designed around the completion of four dissertation modules, each of which has its own requirements. A pass/fail grade will be given for each dissertation module. A student who fails a dissertation module will have to retake the module. A dissertation module may be repeated one time. If a student fails a dissertation module a second time, the student will be placed on academic probation and must petition the director of graduate studies for continuance.

- A petition of request to re-enter the Ph.D. program will be submitted to the director of graduate studies.
- The director of graduate studies in consultation with the dean and graduate committee will review the petition for continuance.
- The director of graduate studies will notify the student of the decision to accept or reject the petition for continuance.

SUPERVISION, RESEARCH, AND DEFENSE OF DISSERTATION

The dissertation is guided by a dissertation chair and two faculty members as requested by a student, agreed to by the faculty members, and approved by the director of graduate studies. The student defends the dissertation before his or her chair, readers, and an outside faculty member appointed by the director of graduate studies. The dissertation must be successfully defended with either “major revisions” or “minor revisions.”

This **Oral Examination Certificate** will be inserted into the student’s file. Once all corrections are made and the final copies are submitted for cataloguing and copyrighting with the appropriate fees a **Dissertation Acceptance Page** will be inserted in each copy of the dissertation submitted.

GRADUATION REQUIREMENTS

Students applying for graduation must earn a minimum cumulative GPA of 3.0 for the 54-hour credit degree (including the dissertation). No grade lower than a B is accepted in the degree program. Course work earning a C may not be applied toward the degree, requiring the course to be repeated.

INTRODUCTION

**EXECUTIVE MASTER
OF BUSINESS
ADMINISTRATION**

**MASTER OF SCIENCE
IN MANAGEMENT**

Faulkner Faulkner University offers two graduate business degree programs in an accelerated executive format for professionals who intend to expand their career horizons. The Executive Master of Business Administration (MBA) focuses on preparing executives with the necessary skills to use accounting and economic data in their decision making processes, as well as providing training in managerial functions, statistics, and quantitative reasoning. The Master of Science in Management (M.S.M.) focuses on developing and enhancing business, leadership and management skills with a curriculum that incorporates a managerial perspective with a futuristic approach to facilitate success in today's business world.

Both the MBA program and the M.S.M. program are geared to enhance the learning horizons of executives by offering a blend of courses vital for a business career. The University, in these programs, seeks to preserve the relationship between an executive-oriented educational experience and the dynamics of Christian belief through the inclusion of business ethics in the curriculum of both programs.

EXECUTIVE MASTER OF BUSINESS ADMINISTRATION (EXECUTIVE MBA)

The Executive Master of Business Administration (Executive MBA) is a graduate program for those executives who wish to pursue a graduate education in the field of business. The Executive MBA is designed to provide training in managerial functions as well as statistics and quantitative reasoning. This degree program also prepares executives with the necessary skills to use accounting and economic data in their decision making processes. Additionally, the Faulkner Executive MBA seeks to educate the individual student on the growing global community and how international issues increasingly affect local concerns and business practices.

The Executive Master of Business Administration degree program is designed as a fully online degree program. Students may begin the program and complete the necessary 10 courses to earn the Executive MBA degree within 1 year. Students can begin the program either in August (Fall

semester) or in January (Spring semester).

PROGRAM DESIGN & STRUCTURE

Completion within one calendar year.

Three semesters of three or four courses, each for 3 credit hours.

All courses are fully online.

Students may enter in the Spring or Fall semester.

PROGRAM OBJECTIVES FOR THE EXECUTIVE MBA

- To prepare one for advancement in a wide range of positions requiring graduate business education.
- To enhance one's knowledge and skills for management functions.
- To develop understanding and appreciation for statistical and quantitative reasoning.
- To enhance one's knowledge of current managerial practices and trends.
- To augment one's skills in critical thinking and decision making for strategically positioning the institution or organization.
- To prepare managers to be cognizant of economic conditions in the operations of business organizations.
- To acclimate students regarding the role of accounting in budgeting and decision making.
- To create awareness of international business practices and related issues.

ADMISSIONS TO THE EXECUTIVE MASTER OF BUSINESS ADMINISTRATION PROGRAM

Applicants for the program must meet the following criteria.

- At least four years of relevant work experience is required. The Academic department will determine "relevancy" based on professional expertise and experience gained relative to business and management.
- A Bachelor's Degree in Business Administration or in a related discipline with a minimum GPA of 2.75.
 - Students from AACSB, ACBSP or IACBE accredited institutions having a minimum GPA of 2.5 will be considered for admission, along with students from a regionally and professionally accredited college of engineering.
 - Those whose degree programs are in other disciplines should have completed courses in Accounting, Economics, Statistics, and either Management or Marketing.
- Executive MBA applicants should submit GMAT scores

to Faulkner University that are 2 years old or less. While minimum GPAs will be enforced, applicants will also have to meet the following standard for admission:

- $(\text{Undergraduate GPA} \times 200) + \text{GMAT Score} = 950$ or higher
- Applicants who do not have a current GMAT score to submit may be allowed to enroll on a conditional basis for one semester provided they have the appropriate GPA and prerequisites. They will, however, have to take the GMAT by the end of the first semester. Students not making the requisite GMAT/GPA composite score (see formula above) will need to be in good academic standing to be considered for continued enrollment in the program.
- Official copies of transcripts should be received prior to admission. Official transcripts must be received within the stipulated time frame, that is, prior to the beginning of the second semester. Transcripts must be sent from each college or university attended. Hand-delivered copies, photocopies, and print-outs of grade reports are not acceptable. Only conditional admission will be granted during the interim period to students who do not fulfill any of the stated requirements.

POLICIES FOR THE EXECUTIVE MASTER OF BUSINESS ADMINISTRATION

Grading Scale for the Executive MBA

90-100	A
80-89	B
70-79	C
60-69	D
59 & Below	F

Grades of A-, B+, B-, C+ and C- may be given at the instructor's discretion.

INCOMPLETE GRADES

The grade of "I" indicates that some requirements of the courses are not yet complete. It is only given for reasons which in the judgment of the instructor have been unavoidable and only with the approval of the Dean of the College of Business. It is the responsibility of the student to initiate steps to a permanent grade by the end of the semester following the semester in which the "I" was assigned. Failure by the student to complete the course requirements within the time allotted will automatically result in the grade of "F". The department strongly discourages assigning an incomplete grade.

COMPREHENSIVE EXAM

All students must pass a written Comprehensive Examination. The Comprehensive Exam will consist of components from the following courses:

- MBA 6340 Quantitative Analysis
- MBA 6370 Management Information Systems
- MBA 6395 Strategic Management

GRADUATION REQUIREMENTS

Successful completion of all coursework with a minimum GPA of 3.0 is required. A maximum of two grades of "C" can be made in the program; exceeding this limit will result in being withdrawn from the program.

TRANSFERABILITY OF EXECUTIVE MBA CREDITS OR APPLICABILITY TO DOCTORAL PROGRAMS

Faulkner University's graduate program in Business is offered in the format of an executive education program. Because of the diversity in post-graduate or doctoral programs (numerous programs across the nation and in various fields within the broad area of business, related to business, or outside of business) and the variety of entrance competencies for entry therein, it is not feasible for the University to advise students as to whether their programs of study at Faulkner will satisfy the prerequisites of other studies at other universities. Thus, the student contemplating transfer or post-graduate or doctoral work at another institution bears the sole responsibility for ensuring that the work done at Faulkner will satisfy the program requirements at a different university.

MASTER OF SCIENCE IN MANAGEMENT

The Executive Master of Science in Management (M.S.M.) is a graduate business program primarily designed to establish, create, promote, and enhance careers that revolve around management, statistical and quantitative methodology for decision making, marketing, human resource management and various general business areas. The M.S.M. distinguishes itself with its innovative structure, curriculum, and schedule, enabling current and potential executives, managers, supervisors and other professionals to earn an accredited Master's degree within one year.

The delivery method for the courses in this program is a combination of in-class lecture and supplementary online learning exercises that enhance the learning experience. In-class lectures focus on content delivery and physical experiential learning in the form of case work, group exercises and activities unique to each topic. The online component of each class, sometimes referred to as embedded learning, involves the use of core-learning topical exercises whereby each student participates in personal research and discovery and the sharing of that knowledge based on assigned topics in a structured learning environment.

Six courses are offered as a combination of classroom and online environments. Classroom lectures are conducted on designated Saturdays with additional online activities required throughout the course. Four courses are offered entirely in an online format that requires weekly student participation. The various online activities are designed and structured to build upon the principles and concepts pertinent to each course. Instruction, tests, case studies, assignments, and other specific requirements are accomplished primarily through individual effort; however, several activities involve group interaction and threaded discussions. Blackboard is used for online courses and components. Therefore, a mandatory training session is conducted on Friday evening prior to the beginning of the first semester. The training session will cover access and navigation of the Blackboard platform that is paramount to successful completion of the program.

ADMISSIONS TO MASTER OF SCIENCE IN MANAGEMENT PROGRAM

Admission to the Master of Science in Management program requires that an applicant meet the following criteria.

- At least four years of relevant work experience is required. The Academic department will determine "relevancy" based on professional expertise and experience gained relative to business and management.
- Bachelor's degree from a regionally accredited institution with a minimum GPA of 2.5 on a 4.0 scale
 - Applicants must have completed a Bachelor's degree in Business Administration or in a related discipline. Those with baccalaureate degrees in other disciplines will be considered for admission

upon compliance with the prerequisite and recommended courses stated in the admissions criteria. All incoming students, irrespective of major or degree, must complete the prerequisite prior to enrolling in the M.S.M. program. This program is geared to enhance the learning horizons of executives by offering a blend of courses vital for a business career

- Official copies of transcripts should be received prior to admission. Official transcripts must be received within the stipulated time frame, that is, prior to the beginning of the second semester. Transcripts must be sent from each college or university attended. Hand-delivered copies, photocopies, and print-outs of grade reports are not acceptable. Only conditional admission will be granted during the interim period to students who do not fulfill any of the stated requirements.
- Students will be required to take the GMAT examination. Applicants should submit GMAT scores to Faulkner University that are 2 years old or less. While minimum GPAs will be enforced, applicants will also have to meet the following standard for admission:
 - $(\text{Undergraduate GPA} \times 200) + \text{GMAT Score} = 900$ or higher
 - Applicants who do not have a current GMAT score to submit may be allowed to enroll on a conditional basis for one semester provided they have the appropriate GPA and prerequisites. They will, however, have to take the GMAT by the end of the first semester. Students not making the requisite GMAT/GPA composite score (see formula above) will need to be in good academic standing to be considered for continued enrollment in the program.
- Students seeking admission to the M.S.M. program must have completed a course in Statistics, Quantitative Business Analysis, or Operations Research. It is strongly recommended that students enrolling in the program should have completed courses in Economics, Finance, Marketing, Management, and Information Systems.

Any exceptions to the admissions criteria are considered by the M.S.M. Academic Review Committee. The M.S.M. Academic Review Committee is comprised of the Director, M.S.M. department, the Director, BBA Department, the Director, BSB Department/ Acting Director MBA Department, the Director, HRM Department, and the Dean of the College of Business.

POLICIES FOR THE MASTER OF SCIENCE IN MANAGEMENT

GRADING SCALE FOR MSM

90 - 100 = A

80 - 89 = B

70 - 79 = C

60 - 69 = D

59 & Below = F

Grades of A-, B+, B-, C+ and C- may be given at each instructor's discretion.

INCOMPLETE GRADES

The grade of "I" indicates that some requirements of the course are not yet complete. It is only given for reasons which in the judgment of the instructor have been unavoidable and only given with the approval of the Dean of the School of Business. It is the responsibility of the student to initiate steps to a permanent grade by the end of the semester following the semester in which the "I" was assigned. Failure by the student to complete the course requirement within the time allotted will automatically result in the grade of "F". The department strongly discourages assigning of an incomplete grade.

COMPREHENSIVE EXAMINATION

All students must pass a written Comprehensive Examination, during their third semester.

GRADUATION REQUIREMENTS

Successful completion of all coursework and the MSM project with a minimum GPA of 3.0 is required. A maximum of two grades of "C" can be made in the program; exceeding this limit will result in being withdrawn from the program.

TRANSFERABILITY OF M.S.M. CREDITS OR APPLICABILITY TO DOCTORAL PROGRAMS

Faulkner University's graduate program in Business is offered in the format of an executive education program. Because of the diversity in post-graduate or doctoral programs (numerous programs across the nation and in various fields within the broad area of business, related to business, or outside of business) and the variety of entrance competencies for entry therein, it is not feasible for the University to advise students as to whether their programs of study at Faulkner will satisfy the pre-requisites of other studies at other universities. Thus, the student contemplating transfer or post-graduate or doctoral work at another

institution bears the sole responsibility for ensuring that work done at Faulkner will satisfy the program requirements at a different university.

It is the responsibility of the student to ensure he or she is completing all coursework as prescribed by the Degree Plan Checklist approved by the ALSDE for the year in which they begin a program with the College of Education.

REGISTRATION

Registration begins with the approval of a schedule of classes by the advisor and is completed in the Registrar's Office and the Business Office. Students are encouraged to register prior to the beginning of a class.

CLASS ATTENDANCE

Regular class attendance by all students is a Faulkner requirement. Class attendance is an academic matter and excessive absences result in academic penalty. In many courses class interaction, group discussion, individual participation and laboratory experimentation are vital parts of the course objective and absences from class negate the value of the course. Education of the whole person is more than the attainment of facts and skills; it includes the development of dispositions, attitudes and understandings demonstrated in the classroom.

CLASS ATTENDANCE POLICY

Faulkner's class attendance policy is based on the number of class meetings a course has during the term. A student's total number of absences in any course must not exceed twenty-five percent (25%) of the class meetings for the term. Any absence, whether due to illness, family emergency, or participation in a University-sanctioned activity, will be counted in calculating the total number of absences. A student whose total absences exceed 25% will be assigned a letter grade of "F" for the course. For example, a student enrolled in a course with 12 class meetings may be absent from only 3 class meetings.

EXCUSED ABSENCES

Faulkner students may have unexpected or extenuating life circumstances such as serious illness, prolonged illness or death of an immediate family member that result in absences. The student may submit a request to the Dean of the College of Education for consideration of the circumstances surrounding the absences and request for them to be excused. If the Dean determines the circumstances are extenuating and compelling and merit the opportunity for makeup tests and assignments he or she will arrange academic accommodations for the student.

ACADEMIC PROBATION AND SUSPENSION

In addition to the University's policies regarding suspension and expulsion, as outlined in Faulkner University's Student Handbook, the College of Education, as executed by the Teacher Education Committee, reserves the right to dismiss any student from the Teacher Education Program based upon disciplinary violations taken before

the University's General Welfare Committee resulting in University disciplinary action.

An admitted candidate who does not continue to meet program requirements will be placed on probation as determined by the Teacher Education Committee.

To remain in the Teacher Education Program, a candidate must continuously meet the following requirements:

1. Maintain a minimum of 3.00 cumulative grade point average
2. Demonstrate professional dispositions during all coursework and clinical experiences
3. Satisfactory completion of all coursework tied to AQT standards

*Any grade below a "C" in professional studies/content courses will not be used to meet certification requirements. ALSDE policies and university policies must be followed in calculation of GPA and awarding of credit for courses taken and courses repeated. ALSDE policies will supersede university policies.

If placed on probation, the Teacher Education Committee will determine a corrective action plan, which may include a student's removal from the Teacher Education Program. Implementation and completion of a corrective action plan for remediation will determine a student's continued status within the Teacher Education Program.

BEHAVIORS THAT MAY RESULT IN TEMPORARY SUSPENSION OR PERMANENT EXPULSION

CURRICULUM REQUIREMENTS

The Master of Education Degree leading to the Alternative Class A Certificate is a 42-45 hour program. The content choices are the following: History, Mathematics, Biology, Physical Education, English Language Arts, and Elementary Education.

With a strong core and a variety of content areas, the Alternative Master of Education Degree provides a broad base as well as specific content areas to anchor a career as a classroom teacher. There is also room for further growth if the candidate wishes to further his or her education beyond the Master's Degree.

COURSE SCHEDULES

The Alternative Master of Education Degree offers course scheduling which will accommodate students who are involved in full-time professions and/or reside a considerable distance from Montgomery. Eight-week courses are offered from 6 – 9 P.M. two nights a week. The professor of the class will make the decision to have study teams or to have two class meetings each week. The study teams are self-selected, and each team will choose where and when the team will meet. Study teams will meet for three hours a week. There will be a study team meeting for every meeting with the instructor. The study teams are just as important as the time with the professor, and attendance is mandatory for both meetings. Additional course schedules are utilized. Students should check with an advisor in their program of study for specific program schedules.

FIELD AND CLINICAL EXPERIENCES

Field and Clinical experiences are an important and integral part of the Teacher Education Program. Field experience hours are to be completed in prescribed

education courses, as well as the Clinical (Internship). During prescribed courses, students will obtain field experiences in diverse settings. Before admission into the Teacher Education Program, each candidate must complete required field experiences, and prior to admission to the Internship, the candidate must complete a minimum of 200 hours of field experiences. The experiences will provide opportunities for candidates to develop the skills essential for classroom teachers. Field experiences during courses will include instruction, tutoring, or conducting workshops for P-12 pupils. All clinical experiences are designed to be community based, service oriented, and to promote development of Teacher Education candidates' professional skills and dispositions. The College of Education requires that its students experience a wide variety of clinical experiences which include students with exceptionalities and students from diverse ethnic, racial, gender, and socioeconomic groups.

CLINICAL (INTERNSHIP)

The Internship is the culminating experience for a candidate in the Teacher Education Program. The Internship is a full semester placement in an approved P-12 school classroom setting that includes twenty days of full-time teaching responsibility. Because the Internship is such a time consuming experience, candidates are not allowed to enroll in other classes, be employed, or engage in significant social club or extracurricular activities during the Internship experience unless specifically approved by the Teacher Education Committee. Candidates should apply for admission to the Internship Program by submitting a formal application along with a one-page autobiography by the announced deadline at the beginning of each fall and spring semester. Application forms for admission into the Internship Program can be secured from the College of Education Office. All applicants will be required to complete various deadlines throughout the rest of the semester of application culminating in a formal interview with the TEC. All Internship Program requirements must be submitted to the College of Education Certification Officer for processing.

GRADUATION REQUIREMENTS

To receive an Alternative Master of Education degree, the following requirements are in effect:

- Candidacy and admission into the Teacher Education Program
- Completion of all courses and requirements listed on the appropriate degree plan (including an appropriate Internship)

For candidates seeking certification in two or more distinct teaching fields, an additional internship(s) will be required (such as physical education AND biology). Successful completion of an approved Teacher Education Program and satisfactory scores on the Alabama Educator Certification Testing Program (AECTP) exams qualify a student for a Class A Certificate. Application for Class A Certification should be secured from the College of Education during the Internship. The completed application, official transcripts, a money order from the student, and verification of successful completion of an approved Teacher Education Program are submitted by the College of Education to the ALSDE when all requirements have been satisfied.
