Northside Church of Christ in Wichita, Kansas, is seeking a full-time Youth Minister to lead and disciple our middle school and high school students. Northside is a growing congregation of approximately 550 members with an active youth ministry of approximately 65 students.

This position emphasizes biblical teaching, discipleship, prayer, worship, and serving others. Building strong relationships with students, parents, and the congregation is part of our culture. The youth minister will patiently and persistently call teens to a lifelong commitment to Jesus Christ and His Church, nurturing spiritual growth before and after baptism.

Responsibilities include teaching Bible classes, counseling and mentoring students, planning and executing retreats, camps, mission trips, and other activities. Leading and equipping a team of parents and volunteers to ensure the physical, emotional, and spiritual safety of our youth is essential. The minister will also promote youth involvement in congregational worship and works of service. Also, seek to create activities to help the teens engage the community with the gospel.

The ideal candidate will have a clear commitment to Christ, a heart for discipling teenagers, strong relational and leadership skills, and the ability to work collaboratively with church leadership, staff, parents, and volunteers. Ministry training or prior youth ministry experience is preferred.

Interested candidates should submit a résumé and cover letter to [office@northsidecoc.org](mailto:office@northsidecoc.org).
