

LEAD/PULPIT MINISTER

The Pace Church of Christ is looking for a full-time lead/pulpit minister. Duties include preaching, teaching, overseeing adult education, visiting members, managing the church calendar, keeping contacts with our missionaries, and serving as the office administrator. The candidate is also expected to collaborate with our associate minister who will preach occasionally and whose primary functions include pantry, youth, social media, and education (preschool, elementary, teens). We would prefer someone who is married, has 10-15 years of ministry experience, and has a Bible or ministry degree. Someone with skill in PowerPoint, websites, and social media is preferred. We do livestream our Sunday morning service.

The congregation averages 90-100 in attendance on Sunday mornings and 30-40 on Wednesday evening. The majority of the members are over the age of sixty. The family at Pace has three elders and five deacons. We currently have a volunteer secretary who is in the office two days per week.

We are financially sound and located in a rapidly growing area of Santa Rosa County just east of Pensacola. We provide groceries to the needy in our community through our monthly food pantry. Mission and benevolence funding is provided to Rescue Ukraine, Mision Para Cristo, and Mount Dora Children's Home. Other outreach includes a monthly singing at a local assisted living community and grading World Bible School lessons.

Please send a resume, photo, and a list of references to David West by mail or to his email. The elders will review these. Salary is negotiable based on training and experience.
