Retention	<p align="center">Harris College of Business for Academic Year 2018-19</p> <p><u>Traditional Business Programs:</u> Student retention was determined for the 4 Traditional Programs using the standard University Methodology as applied for all University Traditional Semester Programs. This methodology is as follows:</p> <p><i>Retention Rate = Number registered in Term 1 minus number who matriculated/leveled over before term 2, minus Total Number Graduated (= Total Potential Returnees).</i></p> <p align="right">Continued on next page.</p>

INDICATOR	DESCRIPTION AND HOW IT WAS CALCULATED
Retention	<p style="text-align: center;">Harris College of Business for Academic Year 2018-19 (Continued)</p> <p><u>Executive Business Programs:</u> The 5 Executive Business programs are individually designed under a format which, depending on the degree plan, may range in program duration from one-year to a 16 month program. In addition, semesters and courses occur consecutive and are year round. The methodology for calculating the retention rate for the 5 Executive Business Programs was determined as follows:</p> <p><i>Retention Rate = Individual students registered in fall, spring, and summer semesters minus (-) individual students, either withdrawn or administratively dismissed from an Executive Program.</i></p> <p><i>Retention includes students completing an Executive Program during the Academic Year plus (+) Students (new and/or continuing) enrolled beginning fall, spring, or summer semesters and still enrolled or graduated by the completion of summer semester.</i></p> <p><i>Retention Loss = Students withdrawn from program or academically dismissed from period beginning fall semester through end of summer semester.</i></p>
