

The Gulf Breeze Church of Christ in Gulf Breeze, Florida is looking for a full-time pulpit minister. We are a small, loving congregation located along the beautiful Gulf Coast of Florida. We have two elders and an average Sunday morning attendance of 55.

We are looking for a minister to help us reach out in our community for the sake of the Kingdom of God. We care deeply about making disciples where we live and are looking for someone to work with us towards that end. While we want to grow in number, we are most concerned with growing in our faith, and witness in our community, for the sake of proclaiming God's Kingdom.

We are looking for a minister with some of the following qualities:

- Lives their love for the Lord and displays the fruits of the Spirit in Galatians 5
- Immerses themselves in God's word and dedicates time in prayer
- Wants to be part of discipling both in our congregation and in our community
- Displays humility and is ready to be disciplined/mentored within our congregation
- Has an emphasis on the grace of Christ through faith and extends that grace to others in disagreements
- Is not divisive or quarrelsome, but seeks peace & unity with a faithful commitment to scripture
- Believes and teaches the importance of the indwelling of the Holy Spirit in the life of the believer

We understand no one is perfect and that we all need to grow. For that reason, above all we are looking for someone who is humble and willing to grow with us together in mutual love and patience.

The following are some of the expectations of the minister who will join us:

- Preach each Sunday morning and teach at least one adult Bible class/week
- Keep office hours throughout the week in agreement with the leadership- Build relationships within the church and within the community by meaningful regular involvement
- Meet regularly with the leadership of the church to discuss where the church is and where it is going

Our church building is located on US Highway 98 in Gulf Breeze, Florida. Our area boasts many popular restaurants and stores, and many more are available in Pensacola only 20-30 minutes away. The area is well populated and is continuing to grow, and we are excited about the possibilities of working within the community.
